### Information about the speaker

#### Current positions:

- Senior Research Associate, RISE Bioeconomy, Papermaking & Packaging, Stockholm Stockholm, Sweden.
- Adjunct professor in Chemical Engineering, Dept of Engineering and Chemical Sciences, Faculty of Health, Science and Technology, Karlstad University, Karlstad, Sweden.
- Associate Professor, Dept Fibre Polymer Technology, School of Chemical Science and Engineering, KTH, Stockholm, Sweden.

#### Previous employments:

2005-2007 Senior Lecturer, Karlstad University, Karlstad, Sweden  
2001-2005 Assistant Professor, Karlstad University, Karlstad, Sweden  
1995-2003 Post graduate student, STFI, Stockholm, Sweden  
1995-2004 Laboratory Engineer, JICC, Stockholm, Sweden

#### Education:

2001 Tekn Dr., Pulp and Paper Technology, KTH, Stockholm, Sweden  
1998 Tekn Lic, Pulp and Paper Technology, KTH, Stockholm, Sweden  
1995 Master of Thesis, Materials Technology, KTH, Stockholm, Sweden

#### Additional training and certificates:

IPMA Certified project manager, level ; Practical project management, Astrakan, 2012; Sales of projects and consultant services, Vendor, 2011; Learning in higher education, Karlstads Universitet, 2006; Research management, Handelshögskolan, Stockholm and Chalmers, Göteborg 2004; Supervision of students, Karlstads Universitet, 2002
